

#4 Current Controversies: Final Reflection

Q#1: Content

- What single topic, other than your own, was most noteworthy & memorable? Why?
- What did you learn about the topic?
- Why did you find the presentation compelling?
- What questions do you still have about the issue? (Higher level Qs only!)

Q#2 Style & Presentation Skills

- Which presentations did you find most effective? Why?
- What about the presentations' form & the presenters' style made them effective?

Q#3 Self-Assessment

- What did you do well in the course of completing this project?
- What aspects of your work were weakest or could have been improved?
- How well did your team perform as a group?
- What might you do differently?
